Short Description

MAG365 Magnesium supplement ionic magnesium citrate powder - Passion Fruit.

Description

MAG365 is our flagship multi awarding-winning ionic magnesium citrate powder made by combining magnesium carbonate with citric acid to create a unique and bioavailable formula. MAG365 is derived from non-GMO sugar beets and sea water.

You might benefit from MAG365 if:

- You feel anxious or irritable
- You have a hard time dealing with stress or feel extra stress in your life
- You experience poor sleep quality or symptoms of tiredness
- You experience cramping, bloating or water retention
- You have Restless Legs Syndrome
- You have difficulty focusing
- You have high blood pressure or elevated cholesterol levels

To safely sweeten our products, we use steviol glycoside, which is the compound of the [stevia](#) leaf that is responsible for the sweet taste. MAG365 Passion Fruit is naturally flavoured with the exiting exotic flavours of passion fruit.
